TM

the AMAZING SPIDER-MAN®

THOUGHT SHE'D BE
EASY TO NAB, DIDN'T
YOU, SPIDEY--?

--BUT YOU FORGOT
SHE'S THE
BLACK CAT!

TM & © 2004 MARVEL

TM & © 2004 MARVEL

THAT'S RIGHT, BUNKY. SAY, CAN I JOIN THIS LITTLE BROUHAHA, OR IS IT A PRIVATE PARTY?

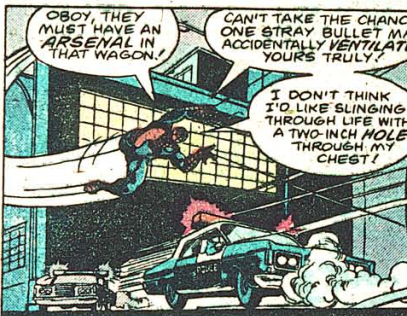

BY THE WAY, I'VE GOT A HORRIBLE HEADACHE. MIND PUTTING AWAY YOUR CAP PISTOLS FOR AWHILE?

THERE... I SHOULD START FEELIN' BETTER ANY SECOND NOW!

HEY! HE PULLED MY PIECE OUTTA MY HANDS!

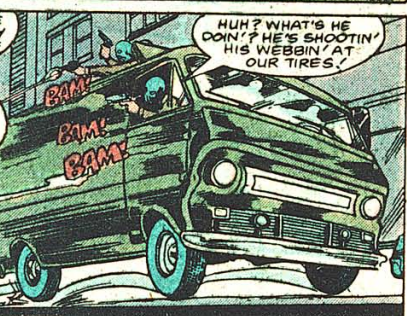

CHARLIE-- GET US OUTTA HERE-- ON THE DOUBLE!

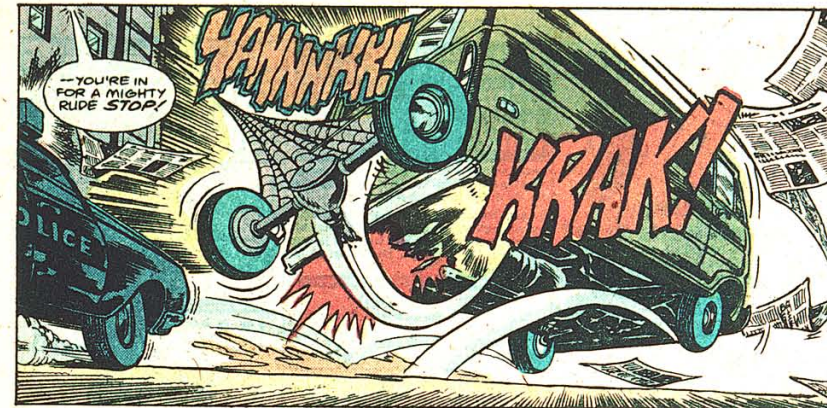

OBOY, THEY MUST HAVE AN ARSENAL IN THAT WAGON!

CAN'T TAKE THE CHANCE ONE STRAY BULLET MAY ACCIDENTALLY VENTILATE YOURS TRULY!

I DON'T THINK I'D LIKE SLINGING THROUGH LIFE WITH A TWO-INCH HOLE THROUGH MY CHEST!

HUH? WHAT'S HE DOIN'? HE'S SHOOTIN' HIS WEBBIN' AT OUR TIRES!

--YOU'RE IN FOR A MIGHTY RUDE STOP!

NOT BAD, BOYS... WHEN YOU GET OUTTA PRISON, YOU MIGHT TRY OUT FOR THE DEMOLITION DERBY!

COURSE, BY THAT TIME, YOU'LL ONLY BE ELIGIBLE FOR THE SENIOR CITIZEN RALLY!

TAKE CARE, KIDDOOS. SEE YA IN TWENTY-TO-THIRTY!

BAH! I NEVER WANNA SEE YOU EVER AGAIN, WEB-SLINGER!

DON'T WORRY, CREEP WHERE YOU'RE GOIN' YOU WON'T HAVE TO!

WOW! THAT WAS SCRUMPTIOUS!

ANOTHER SPIDEY PHOTO FOR MY COLLECTION...

I'LL ADD THEM TO ALL THE OTHERS I'VE TAKEN!

I NEED AS MANY AS I CAN GET!

NOT EXACTLY UGLY-- AT YOUR AXLE!

BY THE WAY, I'M NOT GOING AWAY... JUST FINDING A POINT TO ANCHOR MYSELF.

OTHERWISE, I'D NEVER BE ABLE TO GRAB MY WEB-LINE WITH ALL MY SPIDER-STRENGTH.

HOPE YOU BOYS USED YOUR SEAT BELTS. OTHERWISE--

10,000,000 MARK

That's right, a 10 million mark note for only 10¢. Genuine
German "inflation money" from the 1920s. At a time
when prices went up daily, and it cost 1,000,000 marks
for a loaf of bread, these notes replaced the real gold and
silver coins that people were hoarding. Send today!
By responding to this ad you are requesting banknotes on
approval which you must purchase or return. Cancel ser-
vice anytime, but the German note is yours to keep!

GUMFIGHTING DO'S AND DON'TS.

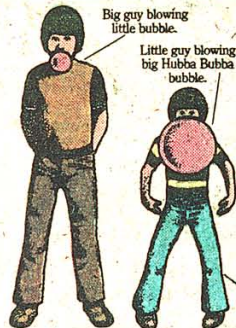

The first thing to do--pick the right chew: Hubba Bubba! The soft and juicy bubble gum with amazing no-stick bubbles!™ Then proceed with this simple yet effective gumfight drill: (1) Begin blowing bubble. Note Hubba Bubba's incredibly large bubble. (2) When the Hubba Bubba bubble breaks do not be alarmed. (3) Simply remove Hubba Bubba from your face. That's right, simply remove and replace in mouth. Return to step 1. Repeat drill ten times.

THE PROPER STANCE.

Note soft, juicy, and delicious Hubba Bubba close at hand.

YOUR SIZE IS NOT IMPORTANT.

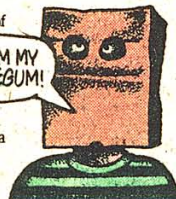

The size of your bubble is. And that means choosing the right bubble gum--Hubba Bubba. Because when it comes to great, big, fat bubbles, nothing sizes up to a Hubba Bubba bubble.

Note proper stance.

ACCEPT NO SUBSTITUTES.

This boy did. And now instead of wearing a smile, he's wearing a paper bag over the bubble gum stuck to his face. Definitely not soft and juicy Hubba Bubba Bubble Gum. Does Hubba Bubba really work? Absolutely! Hubba Bubba is gumfighter tested and approved.

DADGUM MY BUBBLEGUM!

So pick up a pack of Hubba Bubba in original or mint flavor. Enjoy that soft, juicy, delicious taste. Plus those great, big Hubba Bubba bubbles that won't stick to your face.

SOFT. JUICY. DELICIOUS.

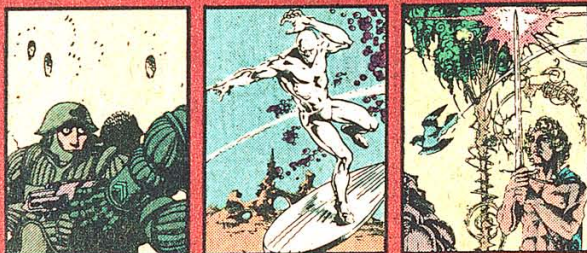

BIG BUBBLES, NO TROUBLES.

Geographic availability may vary.

BULLPEN BULLETINS

STAN'S SOAPBOX

Big news, Believers! You long-time Marvel maniacs who keep track of who's who among our editorial staff will get a real charge outta this! For reasons too complicated to explain, (which is, of course, a shameless euphemism for "we haven't got the time!") we've done another editorial flip-flop and come up with a real treat for you! I'm delighted to announce that none other than good ol' Archie Goodwin has been given the position of Executive Editor of our soon-to-be-unveiled magazine masterpiece, the much-heralded, long-awaited EPIC ILLUSTRATED! Yep, it means one again be working with Artful Archie, just as I did when he was Editor-in-Chief of all our Marvel color comicbooks! Of course, that was before Jolly Jim Shooter replaced him when Archie resigned to devote himself to free-lance writing. And, if thou hast managed to follow the twisted and tortuous peregrinations of this convoluted little paragraph, thou mayest most assuredly here-with consider thyself thrice No-Prized!

But, all kidding aside, ("I didn't know he was kidding!") "It sure didn't sound funny to me!" "If that's his idea of kidding, I'd hate to read 'im when he's

serious!") (Okay, okay, shaddup already!) — it's really a kick to welcome one of our favorite alumni aboard once again. Archibald, who sports the craziest and most colorful collection of funky sneakers you've ever seen, is justifiably considered one of the finest writers and editors in the field, (not indoors, just in the field!) not to mention the fact that he's one of the nicest guys we know. Of course, next to the rest of the staff, even Doc Doom would seem nice! (I might as well offend everybody! It's one way to find out if anyone's actually reading this mishmash!)

Well, let's call it a day now, 'cause I know how emotional and choked-up this announcement has made you. But try to keep cool — don't be too impatient — a month isn't really that long a time, and before you know it I'll be back with you again to continue bestowing these words of wisdom and comfort to help guide you through the savage and stormy seas of life! (NOW do you see why they don't ask me to write any more stories?)

Till next ish then, keep well, keep happy, and most of all — keep in touch, hear?

Excelsior!

Stan

Marvel Masterpieces on sale this month!

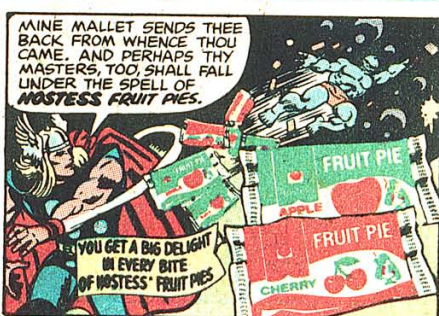

- **MARVEL TWO-IN-ONE #63** — "Suffer Not A Warlock To Live!" The return (?) of Adam Warlock as the Thing teams up with Moonragon and Starhawk!
- **SHOGUN WARRIORS #16** — Shogun Sanctuary is destroyed by a mysterious alien intelligence!

MARV WOLFMAN
EDITOR
MARK GRUENWALD
ASSISTANT EDITOR

Dear Marv, Sal, & Jim:

Naturally, the question of the month is: What's going to happen in SPIDER-MAN #200? Whatever it is, it's sure to be a landmark. For the first time in years, I'm totally in the dark about what's going to take place in an anniversary issue.

Rather than try to guess, I'm going to focus on an issue which many people will forget in the rush... SPIDER-MAN #199. First of all, note that it's well-crafted, hardly dull, and enhanced by excellent artwork (those underwater scenes make me wonder if Sal and Jim wouldn't be the perfect team for the new SUB-MARINER book you keep talking about). Yet, at the same time, what really happened this issue? Mysterio may as well have shot Spider-Man with that dart last issue! But there's the catch; because no mysteries were cleared up in issue #199, because Spider-Man had naught but another frustrating when he found out that the trap he'd endured was all an illusion, SPIDER-MAN #199 will result in nearly twice as good a story in issue #200. In the great Marvel tradition, you've made the reader empathize with our hero, so that his discouragement at being unable to catch Mysterio becomes the reader's as well. Very subtle, but a big plus: #199 did more than just mark time until #200.

Before I forget, I'd like to compliment John Byrne and Terry Austin on this year's SPIDER-MAN ANNUAL. It was great to see Doctor Octopus back; no longer the nice old guy who courted Aunt May, but once more rotten to the core. It was the best annual for Spider-Man since 1968, and you deserve a lot of praise for it.

Matt Kaufman
303 West Pennsylvania
Urbana, IL 61801

Dear Marv, Sal, & Jim:

Well, next issue will be the Big One — the 200th issue of the AMAZING SPIDER-MAN. But before that dramatic moment becomes history, I would like to impart some of my thoughts about how the story has progressed so far by focusing on SPIDER-MAN #199.

Although when I first realized that Spider-Man's 200th anniversary was finally to become fact I was very excited, I have found that now, just one issue before that event, I am not that excited, but have already started to feel twinges of disappointment. One reason why I feel this way is because I am not happy that it looks like Mysterio will be sharing at least a third of the stage with Spider-Man. Personally, I feel that Mysterio is one of Spidey's duller and most uninteresting villains. Mysterio, with his bubblehead, weird eye buttons for his cape, and odd gloves is one of the funniest-looking super-villains in the Marvel Universe; and funny villains don't seem that threatening or imposing. The other possibility is that Uncle Ben's killer will be taking up another third of the center stage. From the beginning this is the direction that this story seemed to be taking, but somewhere along the way it appears to have gotten sidetracked. Up to this point, Spider-Man doesn't even know his uncle's killer is on the loose, let alone partly responsible for his aunt's supposed death. (Yes, I'm one of those who doesn't think that Aunt May is dead — yet.) If Uncle Ben's killer is going to take center stage next issue, I feel that the meeting with Spider-Man will lack enough depth because of the lack of sufficient build-up.

And sufficient build-up is the one most glaring problem with this Spider-Man saga — there hasn't been much. Unlike Marv's FF opus where the story did build (even though it took too long to build) this Spider-Man epic has lacked the momentum to keep the reader coming back issue after issue until the big ending when the reader is supposed to be perched on the edge of his seat waiting for the dramatic finish. But I haven't been waiting on the edge of my seat; in fact, all these issues leading up to the 200th issue have been like any other issues long before them. This saga hasn't had any big crescendo like most lead-ins to anniversary issues try to attain. And it's a shame, because I know that Marv has the ability to make something like this special.

To add to the problem, the art hasn't been too great. This issue's cover was much better than any of the interior since the stuff Starlin and Byrne did for this book: One

reason why this cover looked so good was that there was a good inker embellishing Keith's pencils, namely Pablo Marcos. Keith's (and Sal's) interior work has been shoddy to say the least, and Jim's inks don't really work all that well with either of these artists. All I can ask is that either you give the book a good inker like Pablo — or maybe Bob McLeod (he really looked good over Keith on the cover of the newest annual) — or finally make John Byrne drop the X-Men so that he can take over this book (he also looked great in the annual).

Unless something phenomenal happens — like a miracle — next issue to make this epic memorable, I can safely say that this epic has been very disappointing. And considering that this book is Marvel's mainstay, I can only reiterate: it's a shame.

Kurt Olsson
Leonard, Box 1184
Colby College
Waterville, ME 04901

It would appear that we have a bit of a disagreement here. Mr. Kaufman enjoyed SPIDER-MAN #199. Mr. Olsson loathed it. Matt likes the build-up. Kurt doesn't think there's been enough. And both gentlemen disagree with each other on the quality of issue #199's art (though they both seem to have liked the art on this year's annual). One issue, two very different opinions. But then, that's what makes horse races... and comicbooks, it would seem.

Dear Marvel,

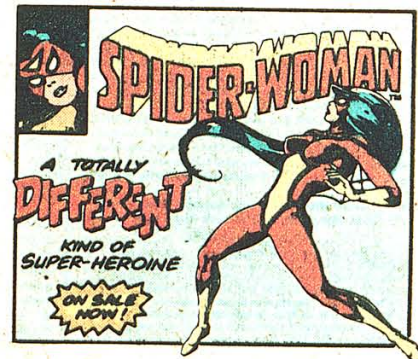

SPIDER-MAN #199 was definitely one of the most exciting comics I have read in a long time. Mysterio has to be one of your deadliest villains. Who created him? Well, whoever, let's see more of Mysterio!

The constant changing between reality and illusion this issue really kept me guessing. Spider-Man did well against Mysterio, and I'm very glad you gave him a chance to recover from that broken arm and get rested up for the final fight. The ending wherein the villain conquers the hero who is injured had gotten way too old. This time, Spider-Man was beaten fair and square by Mysterio. I have just one question: Why didn't Spider-Man think that Mysterio's gun was real? I mean, he had enough tangles with Mysterio's illusions to know that he shouldn't take a chance like that, no matter how mad he was.

Paul Green
3209 Corvette Court
Virginia Beach, VA 23452

A good point, Paul. Still, after Mysterio had played hob with both his perceptions and his spider-sense over the last two issues, we're not all that surprised that the ol' web-slinger let his temper get the better of him.

And, by the way, Mysterio had his birth in the fertile minds of Stan Lee and Steve Ditko!

YOU'VE SEEN THIS FAMOUS CAR FOR
